

Department: Biotechnology

Sl.No	Name of the Supervisor	Area of Research	Email Id
1	DR.CHANDRA PRABHA M N	Bio nanotechnology, Medical Biotechnology, Environmental Biotechnology	chandra@msrit.edu
2	DR.BINDU S	Medical Microbiology & Biotechnology: Microbial biofilms characterization & their control using plant extracts; Food Biotechnology: Pre & Probiotics, Enzymes & their applications in food systems, Functional foods, Nano toxicology: Cytotoxicity & Geno toxicity, Understanding antioxidant mechanism in host systems, Effect of Antioxidants, Sustainable & Green technology: Biodegradation of cellulose, lignocellulose & Low Density Ethylene, Extraction of high value products like polyphenolics & flavonoids from domestic biodegradable waste, Extraction of ethanol from domestic waste	bindu@msrit.edu
3	DR.ABHJITH SR	Cancer biology, neurobiology, Cell and molecular biology	abhijithsr@msrit.edu
4	DR. RAVIKUMAR Y S	Virology, RNA biology	ysravish@gmail.com
5	DR. P. DHAMODHAR	Medical Biotechnology	dhamu_bio@msrit.edu
6	DR.AHALYA N	Environmental Biotechnology	ahalya@msrit.edu
