

Department of Electrical and Electronics Engineering
List of Research Supervisors

Supervisor Name	Area of Research	Contact info
Dr.Pradipkumar Dixit	High Voltage Engineering, Electromagnetic Compatibility	dix.hve@gmail.com 7259920479
Dr.Chandrashekhar Badachi	Outdoor Insulation, Mathematical modeling, New materials for Insulation	chandru.badachi@gmail.com 9740000909
Dr. Kodeeswara kumaran G	Power Electronics, Electric Drives, Electric Vehicles - Drive train, Charging infrastructure	kkumaran@msrit.edu 9482521502
Dr. Sridhar S	Power quality, Fault analysis in electrical machines, Signal processing	sridhars@msrit.edu 9343833273
Dr. S.Dawnee	Nanoscience , Robotics and Embedded Systems, Power and Control	dawnee@msrit.edu 9980018654
Dr. Nagaraj C	Microgrid applications to EV	nagaraj.c@msrit.edu 9916444330
Dr. S. Poornima	Power system protection and analysis, Fault analysis in transformer and induction motor, Memristive circuits, Deep learning applications in power system analysis	sripoorni@msrit.edu 9902951078
Dr. Binshati Chatterjee	Optical communications, Photonics	binshati.ee@msrit.edu 8902184431
Dr. Hemachandra Gudimindla	Renewable Energy sources operation and control, Hybrid Electric vehicles	hemachandra.g@msrit.edu 8618899095
Dr Neelamsetti Kiran Kumar	Power system operation and control, energy management	kiran.n@msrit.edu 9866366939
Dr. R. Subha	Solar PV Sytems, Artificial Intelligence, Machine Learning, Electric Drives	dr.rsubha@msrit.edu 9480614932
